

We are looking for Medical Receptionists

(around 20 hours a week each)

We have an ideal layout of hours for each post – hours fall between 8-6.30 Monday to Friday – but we can be flexible as long as all the hours are filled.

The role is challenging and pressurised with high pace and volume of work but is very rewarding.

If you are interested please contact reception.eastquaymc@nhs.net
or pop in for an application form
